Dear Sir/Madam:

For more than 41 years, the Jamaica Progressive League Hartford, Chapter has strived to preserve the social and cultural history of Jamaica and the other Caribbean territories. As a non-profit organization, the League serves to foster meaningful relationships among Caribbean communities through events, scholarships and other community efforts. Our commitment to education is manifested through our computer-learning center, outreach programs and our annual scholarship program. At the learning center, we offer courses that will give participating students the opportunity to compete in the computer-oriented environment. We are established outreach programs for our seniors. These programs allow our seniors to cope with the ever-changing environment, promote independence, and prevent premature institutionalization.

Our programs are funded through various fund-raising efforts throughout the year. This year one of our fund-raisers will be our annual scholarship and dinner dance to be held at the West Hartford Meeting & Conference Center, 50 South Main Street, West Hartford, CT on July 18, 2015 commencing at 7:00PM and Buffet Dinner to follow.

In this regard, the League is seeking support form area individuals, businesses, social and philanthropic organizations to continue our mission. Enclosed is a copy of our contract for advertisement in our souvenir journal with a deadline date of June 15, 2015.

We hope you will consider assisting the Jamaica Progressive League in its efforts to build bridges, connect communities and keep the spirit of our traditions and heritage alive.

On behalf of myself Desmond Sinclair, President, My Officers, Directors and Members I take this opportunity to thank you in advance for your continued support.

Sincerely,

**Desmond Sinclair, CPA, MSIA
